Recording is the customer’s duty too Learn it in 5 minutes

The EULA treats recordings as customer data. It says calls can be recorded while the caller is on hold and after a transfer. It puts notice and consent on the customer, who has to follow the laws that apply to their calls.
This lab will not invent a script that ’covers every state.’ Play the notice your counsel wrote. Put it in the IVR before the surprise, and do not assume hold music erases the recorder.
